

TROOP 471
SUMMER CAMP 2018 EXPERIENCE

6 Dec 2017

Dear Parents,

We have completed our plans for summer camp 2018. We have chosen to attend Camp Gorton located in Dundee, New York. We will depart for camp on Thursday 5 July and will return the following Saturday 14 July. Our trip is a few days longer than last year but it is also a farther distance and we want to do a couple other things while we are there. We will travel on Thursday 5 July to Mr. Sparlings mothers house (near camp) and then on Friday we will head to Niagara Falls for a visit and trip on the Maid of the Mist for a closer look at the falls. This year we have included everything in the price of camp and due to our successful fund raising all the transportation costs are covered by the troop.

The cost for **summer camp is \$425.00**. Yes that is a lot of money but as we have said in the past, this is an experience that your son will never forget. A number of our scouts have raised enough money in their scout accounts through fundraising efforts to pay for summer camp.

Below is a payment schedule and also coupons for payments. Please keep on this schedule, as we have to make payments to the camp throughout the year based on the boys attending. **I would like to have the commitment to summer camp by 20 December** meeting so I can get an idea for planning purposes. This is simply a first look and we will accept them later but it is helpful to get an idea of who is attending, There are 5 payments of \$80 and one payment of \$25 with the first payment of \$80 is due January 10th. The remainder of the payments are \$80 each month with the final \$25 paid by June 6th.

In the event that I am limited to space I will take scouts in the order that they made the initial payment/notification to me. Don't miss out on this amazing summer camp that offers a different smaller environment than Camp Raven Knob last year. The camp is limited to about 300 scouts where as last year they had 1,500 each week. The meals are family style and the camp is more compressed. This has always been a favorite of the scouts.

As soon as the 2018 camp guide is published I will share more information with you.
